

DISABILITY TRAVEL CARD™ APPLICATION FORM

Easter Seals Canada and its members and/or affiliates are authorized to approve reduced fare tickets allowing persons with permanent disabilities to travel with an attendant* on the lines of Motor Coach Companies that participate in the reduced fare plan, and Via Rail.

The **Disability Travel Card™** provides identification to a person with a permanent disability, which will allow an adult attendant, travelling with the person with a disability, to travel at no cost.

Reduced fares will be granted to the person with a permanent disability, unable to travel alone, (regardless of age) and accompanied by an adult attendant, if such person with a disability has received authorization from Easter Seals Canada or one of its designated affiliated members.

Only persons with a permanent disability who require a support person when traveling can apply for the card. The applicant must agree to follow the **Terms and Conditions** for use of the card.

* An attendant is an individual who accompanies a person with a permanent disability who cannot travel independently. An attendant will provide that person with required services that are not normally provided by a vehicle operator. These services include assisting the person with eating, administering medication and using the facilities in an on-board washroom or a washroom at a stop.

The application for the **Disability Travel Card™** must be verified by a Registered Health Care Provider (see Section B: Health Care Provider Information). The applicant must be a client/patient of the authorizing health care provider.

Terms and Conditions

- a) The person with a permanent disability and the adult attendant must travel together for the entire trip.
- b) The adult attendant must be capable of assisting the person with a permanent disability.
- c) The person with a disability will make application to Easter Seals Canada or its designated affiliates by having completed the Application of Eligibility form. Upon approval of the Application of Eligibility by Easter Seals Canada or one of its designated affiliates an identification card will be issued authorizing the reduced fare.

NOTE: Ticket fares will be based on REGULAR FARES and are not applicable on any excursion fares, unlimited travel tickets or through to the United States. This card cannot be used in conjunction with clergy, Blind and Escort or other reduced fares or programs.

BAGGAGE: Collapsible non-motorized wheelchairs and other aids will be accepted as Baggage.

GENERAL INFORMATION TO NOTE:

- ❖ The identification card must be returned to the issuing office and replaced with a new one if the eligible person changes his/her name or address
- ❖ **AIR TRAVEL:** Contact the airlines directly regarding their reduced fare program and criteria

REDUCED BUS AND RAIL TRAVEL FARE

A person with a disability accompanied by an adult attendant may travel for a reduced fare on any participating Canadian coach operators or Via Rail.

The purpose of the reduced fare is to make it easier for people with disabilities to travel. It is not intended to restrict or hamper the travel of individuals with disabilities who do not require the services of an attendant.

In offering to establish a reduced fare for people with disabilities Easter Seals Canada's member agencies provide an Application and Disability Travel Card™ to those persons eligible.
